Safe Sleep Summit

Working together to eliminate inequities that contribute to unsafe infant sleep.

The Safe Sleep Summit is a convening of multidisciplinary partners with the goal of addressing the persistent and unacceptable inequities that contribute to unsafe infant sleep. Focusing largely on infant deaths due to unsafe sleep, the Summit will utilize the novel Injury Equity Framework to consider the structural drivers that impact inequities in SUID prevention.

Through panel presentations, interactive breakout sessions, and networking, participants in the day-and-a-half conference will discuss the current state of data and interventions to address unsafe sleep. It will identify the existing gaps and explore possible actions to fill them. By bringing together academic partners, community activists, manufacturers, researchers, practitioners, and policy makers, the Summit will strive to identify new approaches, potential collaborations, and the best tools to provide families across all communities the opportunity to keep their infants safe during sleep.

October 18 - 19, 2024

Sheraton Inner Harbor

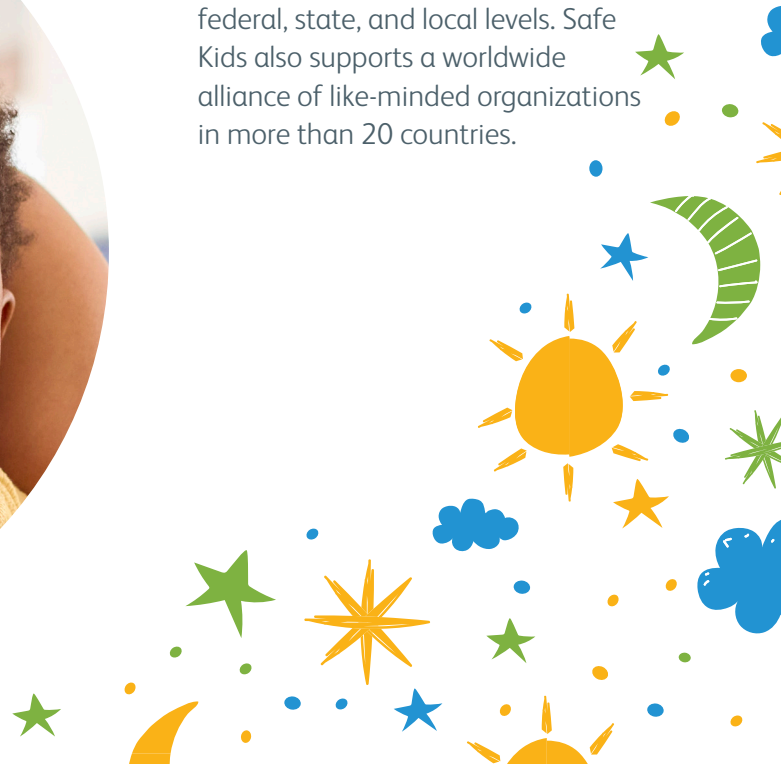

Baltimore, MD

**SAFE
KIDS
WORLDWIDE**

Safe Kids Worldwide® is a nonprofit organization working to reduce

unintentional injuries to children ages 0-14 and build equitable and sustained systems that support injury prevention. Most people are surprised to learn preventable injuries are the number one cause of death to children in the United States.

Safe Kids works with strategic partners and an extensive network of more than 400 coalitions in the U.S. to reduce traffic injuries, drownings, sleep-related deaths, falls, burns, poisonings, and more. We achieve this work through a public health approach that includes research, interventions to educate and raise awareness, safety device distribution, and advocacy at the federal, state, and local levels. Safe Kids also supports a worldwide alliance of like-minded organizations in more than 20 countries.

Sponsor Opportunities

Becoming a sponsor of the Safe Kids Safe Sleep Summit presents a unique opportunity to not only demonstrate your commitment to promoting health and child equity, but also to position yourself as a leader in this important conversation around safe sleep practices. By supporting this event, you will be aligning yourself with experts and advocates who are working on this issue. Additionally, you will be at the forefront of transformational conversations that have the potential to positively impact the lives of many.

VISIONARY | \$25,000
